9) This is the first list of this kind that is sent to Government of India under Rule 308 of the Jail Manual. The rules of procedure have however been framed by Govt. for the disposal of cases ~~submitted~~ submitted to Govt. under this Rule.

10) The list itself is not sent up in the form required by the Manual. The statement does not mention to which of the five classes each prisoner belongs.

11) In this connection it may be pointed that in British India it does not appear that a consolidated statement of this kind now sent by the DG is submitted to Govt. under the procedure prescribed by the Govt of India in Punjab Jail Manual (vide page 309), each case has to be submitted to Govt. and reading sub-clause (a) of Rule IV with Rule V, it seems clear that each case is separately submitted to Govt. The Govt will therefore in addition to consider each case on its merits and pass orders as required by Rule 308 of the Manual.

12) Coming to the individual cases mentioned in the list, the Jt. Superintendent Convicts Ranga and Sudani (Nos 6617 & 6618) will be entitled to release on 30th & 31st August respectively under the Jubilee Release Rules. If approved, drafts sanctioning the release conditionally as prescribed in Rule 309 will be submitted.

13) As regards the other cases, it seems necessary to have a list classifying the prisoners as mentioned in Rule 308, and as against each individual convict, the term he has actually served, and the remissions earned by him till now, and the probable date on which he will be released under the existing Rules. The Govt will then be in a position to pass definite orders. If approved the procedure prescribed in ~~Rule~~ Chapter IV viz of the Madras Prisons Manual will be adopted for disposal of such cases ~~coming regarding the Jail~~
